**Pacific Beach Planning Group By-Laws**  
**Amended December 2, 2008**

**ARTICLE I**

- Section 1. The official name of this organization is The Pacific Beach Planning Group (PBPG).
- Section 2. All activities of this organization shall be conducted in its official name.
- Section 3. The community planning area boundaries for the Pacific Beach Planning Group are the boundaries of the Pacific Beach Planning Group community, as shown on Exhibit "A."
- Section 4. Meetings of the PACIFIC BEACH PLANNING GROUP shall be held within these boundaries, except that when the PACIFIC BEACH PLANNING GROUP does not have a meeting facility within its boundary that is accessible to all members of the public, they may meet at the closest meeting facility.
- Section 5. The official positions and opinions of the PACIFIC BEACH PLANNING GROUP shall not be established or determined by any organization other than the planning group, nor by any individual member of the planning group other than one authorized to do so by the planning group.

**ARTICLE II Purpose of Community Planning Group and General Provisions**

- Section 1. The PACIFIC BEACH PLANNING GROUP has been formed and recognized by the City Council to make recommendations to the City Council, Planning Commission, City staff, and other governmental agencies on land use matters, specifically concerning the preparation of, adoption of, implementation of, or amendment to, the General Plan or a land use plan when a plan relates to the PACIFIC BEACH PLANNING GROUP community boundaries. The planning group also advises on other land use matters as requested by the City or other governmental agency.
- Section 2. In reviewing individual development projects, the PACIFIC BEACH PLANNING GROUP should focus such review on conformance with the adopted community plan and/or the General Plan. Preliminary comments on projects may be submitted to the City during the project review process. Whenever possible, the formal planning group recommendation should be submitted no later than the end of the public review period offered by the environmental review process. Upon receipt of plans for projects with substantive revisions, the planning group may choose to rehear the project and may choose to provide a subsequent formal recommendation to the City.

- Section 3. All activities of the PACIFIC BEACH PLANNING GROUP shall be nonpartisan and nonsectarian and shall not discriminate against any person or persons by reason of race, color, sex, age, creed or national origin, or sexual orientation, or physical or mental disability. In addition, meeting facilities must be accessible to disabled persons.
- Section 4. The PACIFIC BEACH PLANNING GROUP shall not take part in, officially or unofficially, or lend its influence in, the election of any candidate for political office. Elected members shall not identify affiliation with a planning group when endorsing candidates for public office. The planning group may take a position on a ballot measure.
- Section 5. Pursuant to the provisions of City Council Policy 600-5, the PACIFIC BEACH PLANNING GROUP'S failure to respond to the City's request for input on the preparation of, adoption of, implementation of, or amendment to, the General Plan or a community, precise, or specific plan, or failure to review and reply to the City in a timely manner on development projects shall result in the forfeiture of rights to represent the PACIFIC BEACH PLANNING GROUP community for these purposes. Such a determination resulting in the forfeiture of rights to represent the community for these purposes shall be made only by the City Council upon the recommendation of the Mayor's Office.
- Section 6. The PACIFIC BEACH PLANNING GROUP operates under the authority of the Ralph M. Brown Act which requires that meetings of the planning group are open and accessible to the public. In addition, Council Policy 600-24 "Standard Operating Procedures and Responsibilities of Recognized Community Planning Groups" and these bylaws govern the operations of the planning group. Several provisions of these bylaws constitute Brown Act requirements as outlined in the Policy. In addition, the Administrative Guidelines provide explanations of the Policy's minimum standard operating procedures and responsibilities of this planning group. *Robert's Rules of Order Newly Revised* is used when the Policy, the Administrative Guidelines, and these bylaws do not address an area of concern or interest.
- Section 7. The PACIFIC BEACH PLANNING GROUP may propose amendments to these bylaws by majority vote of the elected members of the planning group. Proposed amendments shall be submitted to the offices of the Mayor and City Attorney for review and approval. Any proposed amendments that are inconsistent with Council Policy 600-24 shall not be approved by the Mayor and City Attorney and shall be forwarded to the City Council President who shall docket the matter for Council consideration. Bylaw amendments are not valid until approved by the City.

### **ARTICLE III Community Planning Group Organizations**

Section 1. The PACIFIC BEACH PLANNING GROUP shall consist of: 20 elected members to represent the community. These members of the planning group shall constitute the officially recognized community planning group for the purpose of these bylaws and Council Policy 600-24.

Section 2. Council Policy 600-24 requires that elected members of the PACIFIC BEACH PLANNING GROUP, to the extent possible, be representative of the various geographic sections of the community and diversified community interests.

On the PACIFIC BEACH PLANNING GROUP, elected seats are filled by distribution of seats among the following interests that represent the community: 15 residential members, one elected from census tract 83.01, and two elected from each of the other seven census tracts in the Pacific Beach community, and five business or professional members as described below.

Planning group members shall be elected by and from eligible members of the community. To be an eligible community member an individual must be at least 18 years of age, and shall be affiliated with the community as a:

(1) *resident*, who is an individual whose primary address of residence is an address in the community planning area or who owns any parcel of residentially zoned property in the planning area.

(2) *local business person*, who is a local business or not-for-profit owner, operator, or designee at a non-residential real property address in the community planning area or who owns any parcel of commercially or industrially zoned real property in the planning area.

An individual may become an eligible member of the community by attending one meeting of the PACIFIC BEACH PLANNING GROUP and submitting an application demonstrating qualifications of eligibility to the planning group Secretary or Election Committee prior to the March election or at the time of voting.

Once eligibility to vote is established, an individual remains an eligible member of the community until a determination is made that the individual does not meet the planning group's criteria and formal action is taken by the planning group. However, the PACIFIC BEACH PLANNING GROUP shall require proof of eligibility during elections.

Section 3. Members of the PACIFIC BEACH PLANNING GROUP shall be elected to serve for fixed terms of 2 years with expiration dates during alternate years to provide continuity.

No person may serve on the planning group for more than eight years. The eight-year limit refers to total maximum consecutive years of service time, not to individual seats held.

After a one-year break in service as a planning group member, an individual who had served for eight consecutive years shall again be eligible for election to the planning group.

The planning group will actively seek new members to the extent feasible. If not enough new members are found to fill all vacant seats the planning group may retain some members who have already served for eight consecutive years to continue on the planning group without a break in service. Refer to Council Policy 600-24 Article III, Section 4 for further clarification.

- Section 4. A member of the PACIFIC BEACH PLANNING GROUP must retain eligibility during the entire term of service.
- Section 5. A member of the PACIFIC BEACH PLANNING GROUP found to be out of compliance with the provisions of Council Policy 600-24 or the planning groups adopted bylaws risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. O-17086 NS, and any future amendments thereto.
- Section 6. Some provisions of these bylaws constitute requirements under the Brown Act, as outlined in Council Policy 600-24. A member of the PACIFIC BEACH PLANNING GROUP who participates in a meeting of the planning group where actions are alleged to have been in violation of the Brown Act may be subject to civil or criminal consequences.

#### **ARTICLE IV Vacancies**

- Section 1. The PACIFIC BEACH PLANNING GROUP shall find that a vacancy exists upon receipt of a resignation in writing from one of its members or upon receipt of a written report from the planning group's secretary reporting the third consecutive absence or fourth absence in the 12-month period of April through March each year, of a member(s) from the planning groups regular meetings.
- Section 2. Vacancies that may occur on the PACIFIC BEACH PLANNING GROUP shall be filled not later than 120 days following the date of the determination of the vacancy. The term of office of any member filling a vacancy shall be for the balance of the vacated term.

The PACIFIC BEACH PLANNING GROUP shall fill vacancies at the time the vacancies are declared by selection by planning group members

at the time the vacancies are declared. The PACIFIC BEACH PLANNING GROUP will announce any vacancy at the regular meeting and ensure that petition forms are available for all interested parties. Petitions from the prior regular election will be valid. The election ad-hock committee chairperson shall be asked to notify the local media, the Pacific Beach Town Council and (if the vacancy is a business/commercial seat) the Pacific Beach Business Associations. The committee at large will try to advertise the vacancy by word of mouth. The term of this Committee position shall be for the balance of the vacated term. If there is not a minimum of three months left in the term when the Committee is notified of the vacancy, the seat then shall remain vacant until the next community election occurs. After a residential census tract seat has been declared vacant and there being no eligible candidates available from that tract, the vacancy may be filled by a qualified candidate who is qualified in another Pacific Beach census tract. Thirteen signatures of the candidates nominating petition must be provided by residents of the “vacant” census tract. The remaining twelve signatures must be provided by residents of the candidate’s own census tract. At any one time, no more than three residential representatives to the Committee may reside in the same census tract.

- Section 3. When the PACIFIC BEACH PLANNING GROUP is unable to fill a vacancy within 120 days, as specified above, and the planning group has more than twelve members, either the seat may remain vacant until the next planning group election, or these bylaws may be amended to permit decreased membership to a minimum of 12 members. If a vacancy remains for more than 60 days from the time a vacancy is declared, and there are less than 12 elected planning group members in good standing, the planning group shall report in writing the efforts made to fill the vacancy to the City. If, after 60 additional days, the planning group membership has not reached 12 members, the planning group will be deemed inactive until it has attained at least 12 members in good standing.

## **ARTICLE V Elections**

- Section 1. General elections of PACIFIC BEACH PLANNING GROUP members shall be held during the month of March in accordance with the elections procedures of these bylaws.

The PACIFIC BEACH PLANNING GROUP’s general elections shall be held annually.

The deadline to qualify for candidacy in the March general election shall be two weeks prior to the March noticed regular or special meeting of the full planning group membership preceding the election. The planning group's Election subcommittee shall be established no later than January and shall begin soliciting eligible community members to become

candidates. In February, the Election subcommittee shall present to the planning group a complete list of interested candidates collected up to that point in time. Candidates may be added to the roster up to two weeks prior to the March meeting. A candidate forum may be advertised and held at the February meeting.

In order to be a candidate in the March election, an eligible member of the community [see Article III, Section 2] must have documented attendance at one meeting of the PACIFIC BEACH PLANNING GROUP's last 12 meetings prior to the February regular meeting preceding the election.

Section 2. The Pacific Beach Planning Group shall make a good faith effort to utilize means appropriate to publicize the planning group's eligibility requirements for candidacy and the upcoming elections.

In the election process, the planning group shall seek enough new candidates to exceed the number of seats open for election in order to allow those who have served for eight consecutive years to leave the group for at least one year.

The Pacific Beach Planning Group holds its election at the March regular meeting. The election of the Planning Group shall be open to the participation of all eligible "community members" as defined under Article III, Section 2 of the standard operating procedures.

The Pacific Beach Planning Group will require proof of identity of those eligible community members who are seeking to vote in the election. The planning group shall ensure that voting is only by eligible members of the community.

The ballot presented to eligible community members to vote will clearly identify which seats individual candidates are running for, how many candidates can be selected, whether there are limitations on which candidates various categories of eligible community members can vote for and which candidates, if any, must receive a 2/3 majority of the vote due to service beyond eight or nine consecutive years of service.

The Pacific Beach Planning Group's policy related to write-in candidates is that write-in candidates are not allowed.

Section 3. Voting shall be by secret written ballot. Proxy voting for elections is not allowed under any circumstances. Development and promotion of "slates" of candidates is contrary to the intent of Council Policy 600-24 and is not allowed.

Section 4. The Pacific Beach Planning Group's election becomes final after announcing the election results at the conclusion of the noticed, regular

March monthly planning group's monthly meeting. The Chair is responsible for preparing, certifying and forwarding the election report to the City. New members shall be seated in April at the start of the regular meeting in order to allow their full participation as elected members at the April planning group meeting.

Any challenge to the election results must be filed with the chair of the Elections subcommittee in writing within 24 hours of the counting of the ballots in order to allow enough time to resolve the issue.

- Section 5. Article VIII, Section 1(e) contains all voting procedures. The election will be conducted by an "election subcommittee." The election subcommittee chairperson shall be named by the chairperson of the PACIFIC BEACH PLANNING GROUP. The election subcommittee shall be made up on a minimum of 6 persons; at least 3 committee members of which one is required to be the chairperson of the subcommittee. At least two other representatives from the general public, or related community organizations such as the PB Town Council, BIA, etc. or as recommended by the election subcommittee. Any subcommittee members who are up for reelection will not be able to serve as Chairperson of the election committee or assume any duties related to aspects of election day activities—specifically regarding the staffing of polls and and/or counting the ballots. The duties of the subcommittee will include publicizing the elections, certifying candidates and votes, staffing, manning the poles, and counting the ballots. Ballot counting shall be supervised at all times by the Election Subcommittee chairperson. The election subcommittee shall make a report to the full Planning Committee at the regular November meeting in order to obtain approval of the details and procedures relative to the coming annual elections. Election packets will be made available seven weeks prior to the election date at a location in the community that is convenient and readily accessible. Election packets may be picked up only by the candidates. Prior to receiving the election packet, the candidate must fill out and sign the official candidate log book and enter their name in ink on all petition papers. The polling place is to be at the publicly accessible building within the community. There is to be a clearly visible sign outside the polling place. The date of the election and specific polling hours are to be publicly announced by the Elections Subcommittee and approved by the Pacific Beach Planning Group. The polling space will be supervised at all times by two persons, one of which must be a Planning Committee Member. No campaigning or distribution of campaign material shall take place within 500 feet of the polling place.

The Secretary shall be responsible for the planning group's correspondence, attendance records, and minutes and actions [including identification of those planning group members that constitute a quorum, who vote on an action item, and who may abstain or recuse and the reasons], and shall assure that planning group members and members of the public have access to this information. The Secretary may take on these responsibilities or may identify individuals to assist in these duties
- Section 5. The Chairperson shall be a recognized community planning group's representative to the Community Planners Committee (CPC). However, by vote of the planning group, a planning group member other than the chair may be selected as the official representative to CPC with the same voting rights and privileges as the chair. Designation of a member other than the chair for either representative, as well as for the planning group's alternate to CPC shall be forwarded in writing to the staff representative to CPC prior to extension of voting rights and member attendance.

## **ARTICLE VIII Planning Group Policies and Procedures**

Section 1. The *Pacific Beach Planning Group* bylaws incorporate policies and procedures directed by Article I through VII of Council Policy 600-24. These bylaws also contain some policies and procedures recommended in Article VIII of Council Policy 600-24. This bylaws Article lists additional procedures which are found in Exhibits attached to the bylaws.

Any procedures found in exhibits have the same effect as if they were incorporated directly into Articles I through VII of the bylaws. They are separated into exhibits for ease of understanding.

### **(a) Planning Group Composition**

Pacific Beach Planning Group members must meet the following qualifications for a seat on the PBPG:

A residential member shall be defined as any community member who resides in, or owns any parcel of residentially zoned property in the planning area. Only one person per household may serve on the committee at the same time.

A business or professional member shall be defined as any community member who has a business or professional license in a non-residential zone, or who owns any parcel of commercially or industrially zoned real property in the planning area. A business or professional license whether an individual, a partnership, a corporation or a branch operation, may be represented on the committee at any one time by only one person who, if not the managing officer of the business, shall maintain an ownership interest or be a permanent employee of the entity. The tenure of the designated member is dependent upon the ability of the subject business to continue qualifying as a business member as defined in Article III, Sec. 2B. The action of the entity to designate a representative member must be in writing and included in the application package. A permit or license required to operate apartments in a residential zone, is for this purpose not considered a "business license."

### **(b) Elections**

The Elections Handbook, which is an attachment to the Administrative Guidelines, provides general guidance for planning group elections. The

following are procedures pertaining to the elections provisions of these bylaws:

Eligible community member *residents* vote for PBPG *residential member* candidates. Eligible voters must vote only for the candidate within their census tract. The planning area is divided into eight community based census tracts (see Exhibit A). A resident voter's address may be verified to insure that they are voting in the correct census tract.

Candidates interested in running as a *residential member* PBPG seat, must obtain the printed name, signature, address, and date of 25 resident members.

These resident members must be from within the candidate's community census tract. The completed petition and Candidate Membership application must be submitted to the Election Committee for verification, no later than two weeks before election day. Only original petition packets issued to that candidate during that calendar year will be accepted.

Should there be no qualified candidates entered to run for a vacant *residential member* seat in any census tract, then a vacancy may be declared at the next regular meeting after the election, and the procedures set out in Article IV, Section 2 will be followed.

Eligible community member *business persons* vote for PBPG *business and professional member* candidates. Candidates shall be elected "at large" by business persons within the planning area. Voters will be required to register their status as community members by signing an official vote registration log. A business voter's address may be verified to ensure their business owner/ representative status.

Candidates interested in running as a *business and professional member* PBPG seat, must obtain the printed name, signature, residential address, business name and address and date of 25 business members in the community.

The completed petition and candidate membership application must be submitted to the Election Subcommittee for verification no later than two weeks before election day. Only original petition packets issued to that candidate during that calendar year will be acceptable.

## **ARTICLE IX Rights and Liabilities of Recognized Community Planning Groups**

Section 1. Indemnification and Representation. The *Pacific Beach Planning Group* and its duly elected or appointed members have a right to representation by the City Attorney and a right to indemnification by the City under Ordinance O-17086 NS, and any future amendments thereto, if the claim or action against them resulted from their obligation to advise and assist

the City and its agencies with land use matters as specified in Policy 600-24, Article II, Section 1; their conduct was in conformance with Policy 600-24 and these bylaws; and all findings specified in the ordinance can be made.

Section 2. Brown Act Remedies. The *Pacific Beach Planning Group* and its duly elected members may be subject to both Council Policy 600-24 violations as described in Section 3 below and penalties provided for in the Brown Act. The Brown Act includes criminal penalties and civil remedies. Both individual members of the planning group, as well as the planning group itself, may be subject to civil remedies. Under certain circumstances, individual planning group members may face criminal misdemeanor charges for attending a meeting where action is taken in violation of the Brown Act, and where the member intended to deprive the public of information to which the member knows or has reason to know the public is entitled. Alleged violations will be reviewed and evaluated on a case-by-case basis.

Section 3. Council Policy 600-24 Violations and Remedies.

**(a) Alleged Violations by a Member of the *Pacific Beach Planning Group***

In cases of alleged violations of the *Pacific Beach Planning Group* bylaws or Council Policy 600-24 by a planning group member, the planning group may conduct an investigation consistent with the Administrative Guidelines and these bylaws.

A complaint that an individual member of a planning group violated one or more provisions of the planning group's bylaws or Council Policy 600-24 may be submitted to the planning group chair by any individual, including another planning group member. The complaint should be filed within 90 days of the alleged violation.

If, after a thorough investigation, the planning group determines that the individual member has violated a provision of these bylaws or Council Policy 600-24, the planning group shall, where feasible, seek a remedy that corrects the violation and allows the member to remain as a member of the planning group.

If corrective action or measures are not feasible, the planning group may remove a member by a two-thirds vote of the planning group. The vote to remove the group member shall occur at a regularly scheduled public meeting subject to the procedures outlined in the Administrative Guidelines and these bylaws.

If the planning group member found to be out of compliance with the provisions of these bylaws or Council Policy 600-24, the planning group risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. O-17086 NS, and any future amendments thereto.

Investigation procedures for elected member violations are outlined below:

Any action by the *Pacific Beach Planning Group* to discipline or remove a member must occur at a scheduled planning group meeting and be advertised on the agenda as an action item. Due to the significant nature of removing an elected member, and to ensure a fair and public process, the procedures for investigating a violation of a member are listed below:

Documenting a violation:

- A complaint that a violation of bylaws of Council Policy 600-24 has occurred will be presented to the planning group chair. If the complaint is about the chair, it may be presented to any other officer of the planning group.
- The complaint should be detailed enough to provide a description of, and timeframe within which, the alleged violation was committed and who was responsible for the violation.
- The complaint should provide a citation of the bylaws or Council Policy 600-24 provisions of which the action is claimed to violate. If the complaint is from someone other than another planning group member, the chair [or other officer] may assist in providing appropriate citations to assist the complainant.
- The chair will confer with the planning group officers [exception: if an officer is the subject of the grievance or has a business or personal relationship with the alleged violator] regarding the complaint.
- The chair shall create a written record of the complaint and alleged violation to share with the alleged violator.

Procedures for administering and acting on investigating a violation:  
While the authority for this process rests with this planning group, City staff may be contacted for assistance at any point in the process.

- Once the information about an alleged violation is completed in writing, the chair, with assistance from the planning group officers, will meet and talk with the planning group member against whom the violation is alleged. The allegations will be presented and the planning group member shall be given opportunity for rebuttal.
- If the chair, with assistance from the planning group officers, determines that no violation has actually occurred, the chair may record this in the written record of the complaint.
- If the chair, with assistance from the planning group officers, determines that a violation has occurred but the situation can be

remedied either by action of the planning group or by the planning group member, then the chair will outline the necessary actions to achieve the remedy.

- If the chair, with assistance from the planning group officers, determines that the situation cannot be remedied and that the interests of the community and *Pacific Beach Planning Group* would best be served by the removal of the planning group member, then the chair shall set the matter for discussion at the next planning group meeting. The planning group member who committed the violation shall be given adequate notice about the meeting discussion, and will be given the opportunity to resign prior to docketing the matter for a planning group discussion.

Presenting a violation to the planning group:

- The matter of removing a seated planning group member will be placed on the planning group's agenda as a potential action item. Supporting materials from the chair or from the offending planning group member will be made available to the elected planning group members prior to the meeting.
- The matter will be discussed at the planning group's regular meeting with opportunity given to the planning group member who committed the violation to present their case and/or rebut documentation gathered by the chair with the assistance of the planning group officers. The member may also request a continuance of the item to gather more information to present to the planning group.
- At the end of the discussion, the planning group may, by a 2/3 vote, choose to remove the member.

Recourse for expelled member:

- There is no appeal available to an elected planning group member removed by a 2/3 vote of their recognized community planning group.
- The planning group member's seat shall be immediately declared vacant and subject to provisions of Article IV.
- The removal of a planning group member by a 2/3 vote of their recognized community planning group will not prohibit the member from running for a planning group seat in future scheduled elections.

**(b) Alleged Violations Against the *Pacific Beach Planning Group* as a Whole**

In the case of an alleged violation of the planning group's bylaws or of Council Policy 600-24 by the planning group as a whole or multiple members of the planning group, the violation shall be forwarded in writing to the City. The Mayor's Office will engage in a dialogue with the

planning group, determining the validity of the complaint, and seeking resolution of the issue or dispute. The *Pacific Beach Planning Group* will work with the City toward a solution and the planning group recognizes that, in accordance with Council Policy 600-24, the City may consult with the Community Planners Committee.

If a violation against the planning group as a whole is proven and there is a failure of the planning group to take corrective action, the planning group will forfeit its rights to represent its community as a community planning group recognized under Council Policy 600-24. Such a determination resulting in the forfeiture of a seated group's rights to represent its community shall be based on a recommendation by the Mayor's Office to the City Council. A planning group shall not forfeit its recognized status until there is an action by the City Council to remove the status. The City Council may also prescribe conditions under which official recognition will be reinstated.

If the planning group is found to be out of compliance with the provisions of this Policy not subject to the Brown Act or its adopted bylaws risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. O-17086 NS, and any future amendments thereto.
